PART B

**EXPLANATORY NOTES PURSUANT TO APPENDIX 9B OF THE LISTING REQUIREMENTS OF THE
BURSA SECURITIES**

B1. Review of Group Performance

a) Current Quarter compared with Preceding Year Corresponding Quarter

The Group recorded a revenue of RM176.76 million and profit before tax of RM21.02 million for the third quarter as compared to the preceding year corresponding quarter of RM139.14 million and profit before tax of RM12.60 million respectively. The revenue increased by RM37.62 million and the profit before tax increased by RM8.42 million respectively as compared to the corresponding quarter of the preceding year.

For the tin cans manufacturing segment, revenue increased by RM7.73 million from RM26.11 million to RM33.84 million is mainly due to higher sales demand in the current quarter. Profit before tax increased by RM1.32 million from RM8.90 million in the preceding year corresponding quarter to RM5.40 million. Higher profit before tax in the current quarter is mainly due to increase in sales demand.

For the F&B segment, revenue increased by RM29.89 million from RM113.03 million to RM142.92 million mainly due to increase in the sales demand from the customers. The profit before tax increased by RM7.04 million from RM8.89 million to profit of RM15.93 million for the current quarter due to the increase in sales demand.

For the property development segment, the profit before tax of RM0.10 million is contributed from interest income and rental income. Full payment for the acquisition of land was made in December 2022, there is no comparative comment for the preceding year corresponding period.

b) Current Year-To-Date compared with Preceding Year-To-Date

The Group has recorded a revenue of RM479.17 million and profit before tax of RM44.74 million for the 9 months ended 30 September 2023 as compared to preceding year-to-date of RM422.05 million and RM34.13 million respectively. The Group's revenue increased by RM57.12 million and the profit before tax increased by RM10.61 million respectively as compared to preceding year-to-date.

For the tin cans manufacturing segment, revenue decreased by RM1.43 million from RM88.33 million to RM86.90 million mainly due to lower sales demand in the current year-to-date. Profit before tax decreased by RM5.30 million from RM18.80 million to RM13.50 million is in line with the decrease in revenue and increase in cost of production in current year-to-date.

For the F&B segment, revenue increased by RM58.55 million in the current year to date from RM333.72 million to RM392.27 million mainly due to increase in the sales demand from the customers. The profit before tax increased by RM15.80 million from RM16.42 million to a profit of RM32.21 million due to the increase in sales demand.

For the property development segment, the profit before tax of RM0.19 million is contributed from interest income and rental income. Full payment for the acquisition of land was made in December 2022, there is no comparative comment for the preceding year corresponding year-to-date.

**NOTES TO THE FINANCIAL INFORMATION
FOR THE THIRD QUARTER ENDED 30 SEPTEMBER 2023 (UNAUDITED)**

B2. Variation of Results against Preceding Quarter

For the current quarter under review, the Group has recorded a revenue of RM176.76 million and profit before tax of RM21.02 million as compared to the preceding quarter ended 30 June 2023 of RM156.28 million and RM14.06 million respectively. The Group's revenue increased by RM20.48 million and the profit before tax increased by RM6.96 million respectively as compared to the preceding quarter ended 30 June 2023.

a) Tin Cans Manufacturing Segment

The revenue has increased by RM8.60 million from RM25.24 million in the preceding quarter to RM33.84 million in current quarter mainly due to higher sales demand in the current quarter under review. The profit before tax increased by RM1.77 million from RM3.63 million to RM5.40 million is in line with the increase in sales in the current quarter under review.

b) F&B Segment

The revenue has increased by RM11.88 million from RM131.04 million in the preceding quarter to RM142.92 million in the current quarter under review. The higher revenue in the current quarter under review was mainly due to increase in customer demand as compared to the preceding quarter. The profit before tax increased by RM5.17 million from RM10.76 million in the preceding quarter to RM15.93 million in the current quarter under review. The increase in profit before tax reported in the current quarter under review is in line with the higher sales in the current quarter under review.

c) Property Development Segment

The profit before tax for the current quarter for the segment is RM0.10 million, and RM0.03 million for the preceding quarter. No material variation of profit before tax for the segment from preceding quarter to current quarter.

B3. Prospects of the Group

a) Tin Cans Manufacturing Industry

Tin cans manufacturing industry will remain challenging due to an increasingly competitive market. Steel price is remaining constant and the current trend is providing some stability to the tin can market in the short term. The business environment in this segment is still challenging, but we expect profitability to remain.

b) F&B Industry

The global demand for dairy remains healthy. Most of the raw material prices remained quite stable in this quarter under review. However, the commodities prices are still very volatile due to the current global weather patterns and economic situations, we expect this segment to continue to be profitable.

c) Property Development Segment

The land under the property development is in the process of conversion to industrial. Upon the approval from the authorities, Able Development Sdn Bhd will begin the launching of the property for sales. Currently, the land is rented out for the harvesting of palm oil fruits as a passive income pending the approval of the authorities in order to proceed with the development of the property.

B4. Revenue or Profit Estimates

This is not applicable to the Group for the current financial reporting period under review.

B5. Profit Forecast or Profit Guarantee

The profit forecast is not applicable to the Group for the current financial reporting period.

B6. Status of Corporate Proposals and Utilisation of Proceeds Raised from Rights Issue

There are no corporate proposals and utilisation of proceeds raised from rights issue announced for the current financial reporting period.

B7. Material Litigations

There were no pending material litigations since the date of last audited annual statement of financial position.
